## Costs and Payment

**Domestic Costs:** If I can not fix it, the cost is the cost of returning the item. \$9 if it is a control board only, \$11 if the control box is also sent.

If I can fix it, the cost is \$50 plus return shipping. Parts required by the control box (if any) will be charged at cost.

**International Costs:** If I cannot fix it, the cost is the cost of returning the item. If I can fix it, the cost is \$50.00 plus the cost of returning the item.

**Payment:** Please select the payment option you prefer.

PayPal - I will send a PayPal invoice (You do not have to have a PayPal account)

Personal Check – Must be on a US bank. Make out to John Gerling.

Company Check – Must be on a US bank. I will send an invoice. Provide Company name, billing address and name and email address of person to whom it should be sent.

Within three days of receipt of the controller I will I will send an email giving status and cost. I will send the appropriate invoice and you can make payment at this time.

Shipment will be made immediately after receipt of payment.

**Shipment** – Ship the controller to the following address:

Gerling Laboratories  
1200 Mira Mar Ave #826  
Medford OR, 97504  
USA
